

Hello,

Thank you for your interest in our auction. Please find below your requested condition report. Please be aware that you are responsible for forming your own opinions; therefore, your purchase should be based on your discretion. We render our opinion on items; however, we are not experts, and you must base your decision to bid on your own. We are happy to answer additional questions after the initial report is sent.

Most of the items offered are vintage or antique and will display some form of wear or restoration.

In my opinion regarding:

LOT MAR24-41-96: I note that there is some discoloration to fringes and slight warping at center.

Per our terms, all sales are final, so if I may be of further assistance, please do not hesitate to contact the gallery at (512) 258-5479.

Best Regards,
Lisa
